

## OG Programmers - Roadmap

Next Meeting: Tuesday, February 28, 2017

Program 3: Tuesday, March 21st, 2017

Task 1: Tuesday, February 14th, 2017

Nick:

- utility class and its associated functions
  - plus, minus, etc.

Jake:

- debug utility

Elijah:

- declares
- assignments
- maybe initialization

Task: 2 TBD

Nick:

- expression parsing

Jake:

- if statements

Elijah:

- while loops

NOTE: handle nesting for expressions, if statements, and while loops
